MERSİN-TURKIYE

### LANGUAGES KNOWN

Arabic - Turkish - English

## DETAILS OF PASSPORT

### Passport No

U 29835683

### Place of Issue

Mezitli - Mersin

## SUMMARY

Experienced maritime and logistics professional with over a decade of progressive responsibility across international shipping, ISM management, and logistics coordination. Currently serving as ISM Manager at STIGMA, I lead safety and compliance operations in line with international maritime standards, bringing strategic oversight to safety management systems and vessel operations.

My career path includes pivotal roles such as Operations Manager at Observer Shipping Company, where I directed ISM compliance and vessel documentation, and Operations Specialist at International Marine Services, managing seafarers and corporate logistics. I also have a strong background in foreign trade and logistics coordination from my years at Natural Gıda San. ve Tic. A.Ş., and practical experience in vessel chartering and port operations from Akram Shipping and Othman Management Bureau.

Armed with a bachelor's degree in international Transport and Logistics (GPA 3.4 / 4.0) from the Arab Academy for Science, Technology and International Transport, I bring academic grounding and field expertise. Trilingual in Arabic (native), English, and Turkish (upper-intermediate), I offer excellent communication, leadership, and analytical skills, complemented by strong Microsoft Office proficiency. Recognized for adaptability, efficiency under pressure, and a results-driven mindset, I am well-equipped to contribute to global maritime operations and regulatory compliance efforts.
